

# ADVANTAGES OF GOING ONLINE FOR AGENTS

## Live Content

You can access live inventory from multiple suppliers through a single interface

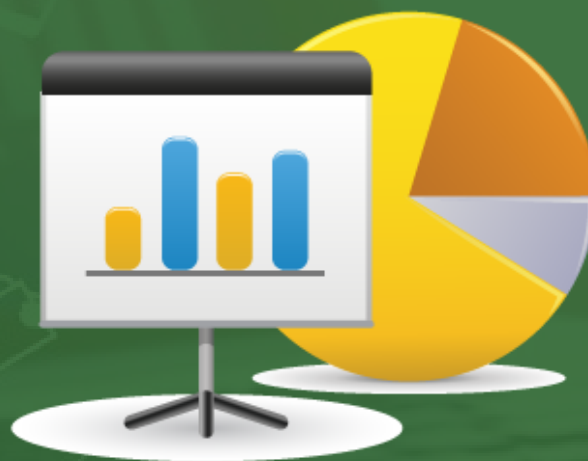

## Bottomline

No hassle of logging into multiple systems or emailing suppliers for rates and availability

## Operational Efficiency

Automates your accounting and allows you to keep tabs on your business from anywhere, anytime

## Bottomline

No costly manual errors and hours spent on routine tasks - focus on what matters

## Client Satisfaction

Allows your b2c and b2b clients to book 24x7 on web/mobile with the flexibility to pay online or offline

## Bottomline

Clients stay with you longer and recommend you to their friends and colleagues
